Dear Charles,

We do appreciate what you have done very much.

It has meant much to us and to some others, which also means much to us, that being why we have done this work, to make it available to others.

So, this is a small way of saying "thanks" at a time of the year when small as it is, it may be of some use to you.

We do hope you have a good holiday and a better than ever year ahead.

Again, with many thanks and sincere appreciation,

Sincerely,

Harold
